Subject: request for access to data in SIS

Dear staff member of the Privacy desk,

I would like to be informed within six weeks whether my personal data are registered in the Schengen Information System (SIS). If that is the case, I request to have access to these data.

[Only if applicable:]

I suspect that my personal data have been entered in the SIS by... *[name the body that you think has entered your data in SIS]* in connection with... *[complete if possible]*.

If my request is refused, I would like to know the reasons for this refusal.

Sincerely,

[full name]

[date of birth]

[address]

[postal code and residence]

[signature]

attachment: copy of identity document
